DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

[1] This is a decision concerning an application for a new manager's certificate by **Alexander Robert Evans** (applicant). The application was received on 26th November 2020 and it was related to the applicant's employment at Fresh Choice City Market. The Committee has been advised that he no longer is employed at these premises. The Inspector (M Ferguson: 15 January 2021) has opposed this application on the basis he has failed to show the required knowledge as required by section 222 the Act. The applicant failed to attend an interview with the Licensing Inspector and various attempts, by both phone and email, have been made to engage and all have failed.

[2] As a result of the failed attempts to contact the applicant the matter was duly set down for a hearing on 10th March 2021 at 12.40 pm at the Christchurch City Council Building. The applicant failed to attend this hearing and as a result the Committee was unable to ascertain the required information.

[3] The Committee's decision is that the application is declined on the grounds of the applicant not supplying the required information.
