

Decision No. 60A [2015] 1710

IN THE MATTER

of the Sale and Supply of Alcohol Act 2012.

AND

IN THE MATTER

of an application by **Russell Wayne Kenny** for renewal of a Managers Certificate pursuant to s.226 of the Act.

REQUEST FOR MATTER TO BE HEARD BY ALCOHOL REGULATORY AND LICENSING AUTHORITY

A renewal of manager's certificate application was received on 16 March 2015 from **Russell Wayne Kenny** with the required documentation.

The applicant holds a current Managers Certificate number **60/CERT/470/2014** in relation to his employment at "VBase venues".

The application has been opposed by the Police on the grounds of suitability. Police advise that a section 285 application for suspension of Mr Kenny's manager's certificate has been lodged with the Authority.

I have read the inspector's report and agree with the recommendation of the Inspector that it would be best for this matter to be determined by the Authority at the same time as the section 285 application for suspension.

The Committee therefore seeks leave of the chairperson of the Authority to refer this application to the Authority pursuant to section 187(f) of the Act.

DATED this day 7 August 2015.

A J Lawn
Chairperson
Christchurch District Licensing Committee
